

This self-adjusting, spring action (NOT a slip joint) oil filter pliers allow for a full range of filter applications. Heavy-duty, forged handles with textured grip add both strength and leverage to the tool.

- Pliers cover a complete range of filter removal from 2-1/4" to 6" in diameter (60mm – 152mm)
- Ratchet and lock mechanism allow for multiple settings for sure fit, eliminating slippage
- Jaws are grooved for better holding of the filter
- Forged for superior strength
- Comfort grip handle
