

The adjustable bearing pusher and installer encompasses an all-in-one design that eliminates the need for a driver and different size adapters. The locking screw holds the adjustable jaws in place for one hand use.

- Adjustable, 4-stepped jaws with locking screw
- Durable sturdy aluminum construction
- Equipped with a steel capped striker shaft handle
- Jaws quickly adjust to accommodate bearing races and seals from .708" – 3.543" (18mm – 90mm)

Package Type: Box with label

Dimensions: 8" x 4.5" x .75"

UPC: 047084005064

Warranty: Limited Lifetime Against Defects

**506**
