

Remove and retrieve O-rings, gaskets, or many other items with precision and ease using this hook and pick set. There's plenty of grip when you need it most from the textured, cushioned grips, even if hands are wet or covered with oil.

- Use to remove O-rings, wadding, springs, gaskets, etc.
- Retrieve items from tight or hard to reach areas
- High-carbon steel picks that are heat-treated and polished
- Cushioned and textured handles for comfort and increased grip
- Use to mark plastic or metal surfaces
