

Oetiker Clamp Pliers

These pliers are suitable for Oetiker and other crimp-style clamps. The two-step function allows user to properly position the clamp before tightening.

- Can be used for 1 & 2 ear clamps without damaging the press points
- For clamps on cv boots, axle coolant lines, fuel lines and air systems
- Innovative head design requires less effort than other versions
- Integrated handle stop ensures proper clamping each time

Package Type: Sliding Blister and Card
