

Adjustable Indexing Trim Clip Pliers

Designed to remove multiple types of push pin fasteners. Head rotates 90° for access to hard-to-reach fasteners in tight areas. Low profile tips allow easy access to even the thinnest fastener. Double dipped grip handles provide comfort during use.

- Removes multiple push pin types without damaging components
- Indexing head for accessing tight and hard-to-reach areas
- Removes plastic anchors with center pins without causing damage to the pin or anchor
- One-handed operation
