

Part No. 75510

16-PC Wheel Lock Key Master Set

Wheel locks can be an effective theft deterrent, but they also make an easy job tougher than it should be. With sixteen specialized keys, this comprehensive set makes removing wheel locks simple for various style of wheel locks.

- Easily remove many OEM and aftermarket wheel locks
- Alternative to destructive and dangerous methods of removal
- Sixteen impact-rated, 1/2" square drive sockets
- Dual-hex design allows keys to be inserted into 3/4" and 11/16" sockets
- Chrome-vanadium with a corrosion-resistant finish
