### **6 PC Flip Socket Set**

With just a flip, go from using a 6-PT impact socket to a fluted twist socket when needing to remove damaged, stripped, or corroded wheel lug nuts and fasteners.

- Each socket is an impact-rated socket and integrated fluted extractor
- Combines some most common SAE and metric lug nut sockets in one set
- Forged from chrome-molybdenum for the ultimate strength and durability
- Impact-rated, ½" extension with detent for use with the sockets and short anvil power tools
- Corrosion-resistant, black-oxide finish
