Universal Brake Bleeder Adapter

Replace numerous brake bleeder adapters with one versatile tool. It quickly adjusts for various styles of master cylinders on a wide variety of vehicles, with a low-profile design for use in and around tight areas.

- Universal design fits plastic master cylinders on nearly any application
- Adjustable, powder-coated steel jaws firmly grip the master cylinder
- 360° swiveling, quick-connect fitting with a corrosion-resistant finish
- Chemical-resistant rubber cone and knurled adjusting collar for creating an air-tight seal

Package Type: Box with Labels
