

Twenty-five, professional-grade reverse spiral steel extractors for removing broken and damaged screws, bolts, and other fasteners and fittings.

- Remove broken or damaged fasteners or fittings with ease, even when broken below the surface
- Extractors sizes range from 1/8" to 7/8", each etched with the required drill bit
- Sharp, hardened spiral fluting that bites in to increase grip as it is turned
- Low-profile design allows for use in tight areas
- Five hex sizes, 1/2", 5/8", 3/4", 7/8", and 1" for use with sockets and wrenches

Package Type: BMC and Card

Dimensions: 8.28" x 1.8" x 6"

UPC: 047084442005

Warranty: Lifetime vs. Defects and Abuse

44200
