

A versatile set of impact drive adapters giving users the ability to convert nearly 1/4" through 1" drive tools to make them either smaller or larger drive sizes.

- Quickly convert multiple drive sizes for various tools, including impacts, ratchets, and extensions
- Eight adapters in four drive sizes and universal joint in three drive sizes
- Constructed from durable chrome-moly steel with a corrosion-resistant finish
- Each adapter utilizes a ball detent to ensure optimal retention of sockets
- Laser marked for easy identification
